

Bankline Enrollment Process

1 (866) 748-9916

Press * at the beginning of the message to bypass the greeting and reach the enrollment process.

- 1.) After pressing *, please enter your **User ID** (full social security number) and **PIN code** (last 4 digits of social security number)
- 2.) Once logged in for the first time, you will be prompted to change your **PIN** code of your choosing. It must be 4-10 digits long.
- 3.) **OPTIONAL:** If you wish to change your User ID to something other than your Social Security Number, please contact a Customer Service Representative at any of our five branches to assist you. Once the branch staff member confirms your User ID has been changed in our system, you may then call Bankline and follow the steps above with your **new** User ID.

Your Bankline set up is complete!
